Note:

Blueprint's new program options have been developed to meet new requirements implemented by Workplace Health and Safety Queensland (WHSQ) that came into effect from 1st July 2008. These include changes to recording formal and practical training.

Training must be held on site & minimum numbers apply.

RPL (recognition of prior learning) may be available to those trainees who can demonstrate prior experience; knowledge and/or training. RPL Applicants must also undertake a formal 'challenge test' (licensing assessment).

Blueprint is a Registered Training Organisation under the Australian Quality Training Framework.

Blueprint Employment & Training Inc offers this Bridge and Gantry Crane course as per the changes to the Workplace Health & Safety Regulations 1997 – 1st July 2008 with minimum numbers on your site.

The **Employer Partnership Program** options is designed to allow your employees to obtain a combination of quality training to the 30496QLD standard with Blueprint Inc and undertake employer directed training in the workplace. This option will suit employers who already provide some internal training but wish to work with a Training organization to provide structured Formal Training.

The program includes a combination of self-paced study; structured training by a mixture of Blueprint accredited trainers and on-the-job employer directed training (in an agreed training plan), 60 (nominal) hours operational experience followed by a challenge test (licensing assessment).

The total cost of the program is \$453.60¹ per person

1. Student Enrolment and course commencement

- a. 1st Payment of \$400.00 per person (non refundable)
