Referral process:

As there are limited places all applicants must attend an interview prior to enrolment.

Location:

Training will be held at Blueprint's Training Venue Unit 3/25 Parramatta Rd, Slacks Creek Q 4127

This project is funded by the Queensland Government's *Skilling Queenslanders for Work* initiative.

Blueprint is a Registered Training Organisation under the Australian Quality Training Framework

Logan Logistics – Productivity Places Program

The Logan Logistics – Productivity Places offers jobseekers the opportunity to gain nationally recognised qualifications in the **warehousing and storage industry** (Certificate II level). This Project is funded by Department of Employment, Economic Development and Innovation (formally Department of Employment & Industrial Relations) *Skilling Queenslanders for Work Initiative* and is **at no cost to eligible participants**. Training is delivered in a warehouse environment – hands on and practical.

The course will cover a Certificate II in Transport and Distribution (Warehousing and Storage) including the following units

TLI20107 Certificate II in Transport and Logistics (Warehousing and Storage)

AQF Level I

- TLID107C Shift Materials Safely Using Manual Handling Methods
- TLID207C Shift a Load Using Manually-Operated Equipment
- TLIE307C Participate in Basic Workplace Communication
- TLIF107C Follow OH&S Procedures
- TLIF207C Conduct Housekeeping Activities
- TLIG107C Work Effectively with Others
- TLIL107C Complete Workplace Orientation/Induction Procedures

AQF Level II

- TLIA1207B Pick and Process Orders
- TLIA1407C Use Product Knowledge to Complete Work Operations
- TLIA1107C Package Goods
- TLIA2107C Despatch Stock
- TLIA2207C Participate in Stocktakes
- TLID1007C Operate a Forklift
- TLIK397B Apply Keyboard Skills

If you already have experience in warehousing you can have this experience recognised. Contact us for more details as we can also provide extra and flexible "gap" training where required.

Forklift Training

As well as warehouse training you will also have the opportunity to undertake Forklift training. New licence requirements mean that you have to undertake a formal training course and then gain 40 hours log book experience, prior to being assessed and gaining a license This Logan Logistics Project will include formal training, however we are unable to provide everyone with 40 hours experience. Where possible we will contribute to these hours through your experience in our simulated warehouse training venue. There are some eligibility requirements to gain a forklift licence so for more information contact Blueprint Staff.

Courses run for 4 weeks (5 days a week)
Courses held monthly
