Forklift Refresher Training

Blueprint Employment & Training Inc (Blueprint Inc) offers this new opportunity for forklift operators to ensure their skills and knowledge are kept up to date (*as per new changes to the Workplace Health & Safety Regulations 2008*) in our training centre in Slacks Creek.

This **Blueprint Forklift Refresher Program** is targeted towards licensed forklift operators and may include:

1. Employees who are currently operating a forklift however have not received formal training for an extended period of time; or
2. Those who have limited current experience and are looking to update their knowledge and skills.

The program is scheduled as an intensive 4 hour training session covering up to date topic such as:

- Legislative changes
 - Responsibilities
 - Employer/Employee roles
 - Fines and prosecutions
- Pre-Operational Checks
- Safe operating practices
- Stability and safe driving for workplace conditions
- Safe shut down practices

Note: Company specific Forklift Refresher Training for 4 employees or more can be organized on site or at our training venue at Slacks Creek.

Recent changes to the Forklift Licensing system have put more emphasis on ongoing training for both the employer and the operator. This course will help you meet these new requirements and ensure all operators have up to date knowledge in safe forklift operations.

The total cost of the program is \$70.00 per person (Plus GST)
